Happy
Valentine's
Day!

February must be the worst month of the year—the days are still short, the weather is terrible, it's cold and we all have cabin fever. What a great month to sew! It is amazing how an hour or two at the sewing machine can make the days fly by. We can even start to think about all the spring and summer projects we would like to accomplish. Bright colored fabrics and threads, embroidery designs with pretty flowers, beach-themed designs, butterflies and birds can do wonders to lift our spirits.

CLASS PASSES/CLUB CARDS

We are now pleased to offer you the option of taking any class using a Class Pass or Club Card. The passes contain six class possibilities and can be used to pay for any class or club. You simply purchase the card and we punch out the required number of classes required for your class. The cards offer a significant reduction in price from paying for classes individually. When your card is totally punched, you simply purchase another one.

W(hoop) it Up!

Saturday, February 5th 11am-12pm

What else could we do but a spring flower, made entirely in the hoop? There is a little secret to adding dimension to your flower which we will reveal during the class. You'll go home with the embroidery design, so don't forget your flash drive so we can transfer it for you. If you bring a show and tell, you'll also go home with a little gift.

UFO DAY
 A.K.A. Unfinished
 Object Day
 SATURDAY, FEB 26TH
 10AM-4PM
 Fee: \$20

Bring in your unfinished projects and spend the day completing one or more. Go home feeling very accomplished. We will help you in case you don't know what to do next or need a refresher on a technique. We will be serving pizza for lunch. Please call or email us to sign up!

New Arrivals!

We have King Tut variegated thread on the way!
 Come by and see all the new colors!

BLOCK OF THE MONTH & SERGER CLUB

February 12th is a busy day. We have Block of the Month class at 10:00 and Serger Club at 2:00. We are going to make potholders this month in Serger Club. These are easy to make so you will have time to make at least two. We will get some great practice working on outside curves.

EMBROIDERY CLUB & CREATIVE VISION CLUB

Saturday, February 19th 10am-1pm & 2pm-5pm

On February 19th we will have Embroidery Club at 10:00 and Creative Vision Club at 2:00. We will continue to work on our Fantasy Birds Quilt in Embroidery Club and in Creative Vision Club we will explore the possibilities that side positioning can offer. In addition we will play with the Creative Texture Hoop. You do not need the hoop for the club but you will want one after you see the results and we will offer it to you at a special price on that day only.

We are always looking for your input. We'd love to know what projects and ideas for classes you have. Is there something you'd like to learn or a project you'd like to undertake? Let us know. If we use your idea, offer a class and enough people (5 minimum) sign up, you can take the class for free. So get together with your sewing friends, call or e-mail your idea, and we'll see what we can do! We'll even try to accommodate your date and time wishes.

From all of us at Sun Sew Vac, ♥ HAPPY VALENTINE'S DAY! ♥ Keep sewing!
