September is a really busy month at Sun Sew Vac. There are special shows and activities on three of the 4 weekends and we are celebrating with lots of special values for you.

Sully Quilt Show

Our first special event of the month is the Sully Quilt Show on September 12 from 10 to 4:30 at Sully Plantation. If you have never been, it's a fun day. The plantation itself is quite fascinating with several of the original early 18th century buildings still standing and there are loads of vendors selling great fabrics, notions, etc. Quilts are on display, and there is live music. We'll be there representing Pfaff and would love for you to stop by to say hi. We will have some special sale items and the Pfaff Expression 4.0 will be on sale at a HUGE reduction.

Capital Home Show

On September 24, 25 and 26, Sun Sew Vac will represent Miele at the **Capital Home Show** at the Dulles Expo Center. While we will not have sewing machines at this show, if you need or want a new vacuum, **Miele** is the best of the best and typically, the pricing at the Home Show is quite aggressive.

The new **Creative 5D™ Software** is amazing. The possibilities are endless and so much easier to use. You are going to love it. In the near future, we will start software classes for those of you who have purchased 5D™ or upgraded your 4D software. Stay tuned for more info.
